

## EUREOS Scientific EoE Symposium 2022

Sunday, October 9, 2022 | 5.30 – 7.00 pm CET

DEAR EUREOS MEMBER,

As president of EUREOS I'm delighted to invite you to the EUREOS Scientific EoE Symposium 2022, taking place on October 9<sup>th</sup>, in Vienna. After the last two years without a face-to-face meeting, we are all the more pleased to invite you on-site to this educational event.

With this EoE Symposium we aim at delivering state-of-the-art knowledge on eosinophilic esophagitis. It will take place following to our Annual General Assembly.

We conclude with a reception and informal dinner open to all our members and corporate members, which will allow us to further discuss these topics in a friendly atmosphere.

We are looking forward to an interesting and lively exchange with you in Vienna!

Kind regards,

**Alfredo Lucendo**

Department of Gastroenterology  
Hospital General de Tomelloso  
President EUREOS 2021-2024
